**** Following AUBG policies and Procedures and the American College Health Association (ACHA) guidelines for student health, AUBG provides appropriate medical insurance for all international students through a Bulgarian insurance company, which covers the medical expenses of all non-Bulgarian students and expenses for repatriation. This medical insurance is valid only in Bulgaria with a period of coverage for one semester (4 months) or a full academic year (9 months). All full-time international students are automatically enrolled in AUBG Health Insurance Plan and the cost of the insurance is charged against the student's account immediately after the initial fall or spring enrolment. It is the responsibility of the student to pay this expense.**

! Important: All estimated budgets are always subject to change.

***This line item includes 2 round-trip tickets from the US.**

Personal expenses include allowances for clothing, laundry, and recreation. It will vary depending on your lifestyle and needs.

****The International Business Trip carries academic credit. It aims to give students a broad perspective of the changing EU business environment. Its purpose is to enable students to learn from real-life business situations and practices at leading European companies; to see and experience for themselves how very successful international organizations operate from a variety of cultures, location and industry sectors; and, to personally meet and talk with leaders in international organizations in Europe.**
